THIS DOCUMENT IS DURING DEVELOPMENT!

Read this document in different formats:

<a href="#">PDF</a>	<a href="#">HTML</a>	<a href="#">ADOC</a>	<a href="#">EPUB</a>
---------------------	----------------------	----------------------	----------------------

*Documentation as a Code - benefits*

1. **Transparency** - tracking of changes.
2. **Usability** - any target format from one source e.g. pdf document, slidedeck, static html, ebook, etc.
3. **Flexibility** - content easy to extend with new comparison categories or new tools in the future.

# Legned

- ✓ - **yes** - item meets the assumptions
- ✗ - **no** - item does not meet the assumptions
- ⚙ - **depends** - item meets the assumptions partially
- - **empty cell** - item is waiting for the assesment
